CIVIL AIR PATROL TRANSPORTATION REGULATION

This regulation supplement prescribes additional procedures in effect for all Indiana Wing CAP units and Indiana Wing Headquarters Staff.

CAPR 77-1, 01 September 2003, is supplemented as follows:

Added:

Use of cell phones in CAP Vehicles in Indiana Wing will require the use of hands-free devices by the operator of the vehicles. Passengers may use cell phone without a hands-free device.

Drivers will be alert to other distractions while driving and will take whatever action required to avoid distractions.

John R. Seramur
Senior Flight Officer, CAP
Administration Officer

John F. Bryan
Colonel, CAP
Commander

Supersedes: None – this is the first edition.

OPR: LGT

DISTRIBUTION: Each Unit (1), GLR (1)
